Dear Volunteer,

We would like to welcome you to ***The Chicago Dream Center***. We pray that your experience will be one that is impacting and life changing. We have attached information that will benefit you and your group prior to your visit.

At the CDC we can offer shared accommodations for a minimal cost. Accommodations are offered on a first come first serve basis. Visitors under 16 years old must be accompanied by an adult and have a waiver signed by their legal guardian. All visitors must sign ministry waivers of liability to stay with us. You are also more than welcomed to make your own accommodations and schedule dates to work with our ministry.

We listed information pertaining to planning a trip with us, and will answer your questions in regard to transportation, cost, airports, what to bring, not to bring, schedule and what you can expect. We fill up quickly and limit our overnight guests.

Final travel details need to be received along with a list of names of those coming with you at least 2 weeks prior to your arrival. If you have any further questions, please don't hesitate to ask.

Once again, thank you for your interest in restoring dreams for our community.

Sincerely,

Crystal Uribe

GET TO KNOW US

The Chicago Dream Center was founded by New Life Covenant Church in 2002. The CDC is a 501c3 non-profit organization.

The Chicago Dream Center is in the Humboldt Park Community and focuses on domestic outreach. We have several ministries that serve in different ways such as providing groceries to the poor, clothing, housing, spiritual counseling and more. In 2002, over 600 prostitutes were arrested in the Humboldt Park community within a nine-month period. This alarming rate led police officials to seek help from one local church. At this time Wilfredo “Choco” DeJesus, Senior Pastor of New Life Covenant, was sought out to develop a solution for those victimized by this form of trafficking. After some time, he knew that a farm would be purchased and within the year it became a safe house. This was the start of the New Life for Women program (NLFW). This program has served women 18 years old and older for those suffering from life controlling issues such as addiction and homelessness, domestic violence, and victims of trafficking.

Women's Trafficking Outreach, Rose of Sharon: To seek and find women in the streets that have been affected by life-controlling issues and bring them back into the fullness and understanding of the Gospel of Jesus Christ. We also inform them about the recovery program that is offered to those in need through the Chicago Dream Center, letting them know that God has opened this door where they can come and begin to dream again. **Available Friday Night. Age restriction: 16 & over only.**

Food & Clothing Pantry, Manna for Life: Food/Clothing pantry is available to the community residents who are in need of groceries or clothing. Manna also provides special groceries for the holidays. **Available Saturday morning.**

Let's Change Resale Shoppe: This shop sells gently used clothing, shoes and accessories to the Humboldt Park community. It is a charitable 501c3 and all proceeds from this shop further our international and domestic mission initiatives. This shop was started by Army of the Kind which is our international missions arm. **Available Monday thru Friday 10 am-5pm & Saturday 11am-4pm Sunday CLOSED.**

House of Hope for Teens: We adopt teenagers who are truant, runaways or homeless. We become their family and help them get back on their feet. This is a very sensitive ministry, and we would need to ask the leaders permission in advance to work with them. **By appointment only. If you are interested, we will talk to the house parents to arrange a time for your group to be involved. This is an offsite drive to get to the teen home so we would need to plan ahead of time.**

New Life Recovery: This group meets every **Monday evening**. It is very much like a celebrated recovery program, but different in a sense that incorporates live testimonies. These evenings are very powerful and many people that we encounter in the streets attend this group.

New Life for Women: This is a women's residential facility where women are rescued from drug addiction, trafficking, or prostitution. **Available Monday thru Sunday.**

Dream Café: Sales from our café blesses the Dream Centers mission. The café is open to the public on Sunday, but there are lots to do throughout the week to help us prepare. **Available Monday thru Sunday.**
